### Package Details

The Alhambra remains one of the most visited UNESCO World Heritage sites in the world and dates back to the 13th century. A prime example of impeccably preserved Moorish architecture, the beautiful stone palace retains intricate carvings, fountains and statues. The Alhambra is a monumental complex made up of palaces, towers, gardens and aqueducts. It is a medieval walled city, residence of sultans and kings from the 13th to the 16th century. The tiny, cobblestone streets of Granada are dotted with artisan shops, cafes, historic monuments, plazas and flamenco venues. The 5 Star Hotel Alhambra Palace, where you will spend 5 nights, has hosted world leaders, kings, queens, presidents and authors since 1910 as an icon in the world of hospitality. You will get to know Granada and the Alhambra on a 3-hour tour. Relax in a traditional hammam for a water journey and massage. You also experience a dinner of tapas and a flamenco show on this adventure.
